How great the chasm that lay between us

How high the mountain I could not climb
         A                    E
In desperation I turned to Heaven
                   D        E      A
And spoke Your name into the night
```

                       D
Then through the darkness
             A
Your loving kindness

Tore through the shadows of my soul

The work is finished

The end is written

Jesus Christ, my living hope

Hallelujah, death has lost its grip on me

You have broken every chain

There's salvation in Your name

Jesus Christ, my living hope

```
           A                        E
Who could imagine so great a mercy

What heart could fathom

Such boundless grace

The God of angels

Stepped down from glory

The cross has spoken I am forgiven

The King of Kings calls me His own

Beautiful Savior I'm Yours forever

Jesus Christ my living hope
```

Verse 4:
```
                      A                   E

Your buried body began to breathe
                       A             E
Out of the silence the roaring Lion
                     D         E        A
Declared the grave has no claim on me
(Alt chord F#m to stanza below)
                  D         E     A
Jesus Yours is the victory
